Superior Advantages

- **Smart Tank Monitoring System** **Exclusive to Superior Propane**
 - Notification alerts on your propane level
 - Real time monitoring of your fuel supply
 - No down time for your operation

- **My Superior** **Exclusive to Superior Propane**
 - Free online tool to put you in charge of your account
 - Track your propane deliveries, access your account statements or delivery tickets and pay invoices
 - Gives you full control and the ability to easily and securely manage all of your propane needs

- **Safety (The Guardian System)**
 - Safety protocol exceeds industry standards
 - Departments hold daily huddles on customers/individual safety issues
 - Prevents accidents that could harm individuals and the environment

- **Service/Delivery Capacity**
 - The largest local service and propane delivery network in Canada
 - 24/7 customer care and emergency service
 - Enables you to focus on your core business while we support all of your propane needs

- **Community Support**
 - It's important to us to support community programs at all levels
 - We are very proud to be involved with good causes that range from local, grass roots organizations to national charities including, but not limited to the Canadian Breast Cancer Foundation and Canadian Tire Jumpstart

Re: Propane Equipment and Supply Quote

Thank you for giving us the opportunity to supply you with a quote for your propane and related equipment needs.

Superior Propane is a division of Superior Plus Inc., a company listed on the TSX. We are Canada's largest marketer of propane, with operations that stretch from Newfoundland to the Yukon. We currently have over 150 operating yards across Canada, made up of 43 market offices and 111 satellite and storage operations.

Propane is the sole focus of Superior Propane, and we deliver more than 1.5 billion liters of propane each year. For over 65 years, thousands of customers have depended upon Superior for their propane services.

Superior Propane will supply (on loan) and install whatever equipment necessary

Propane Pricing:

Agricultural Alliance of NB (OVER 10,000 lts)				10,000 - 14,999 Litres	15,000 - 29,999 Litres	30,000 - 49,999 Litres	50,000+ Litres
Region	Market	BU	Description	Variable Price	Variable Price	Variable Price	Variable Price
AT	South New Brunswick	7557B	Moncton	\$ 0.599	\$ 0.579	\$ 0.559	\$ 0.539
AT		7554B	Fredericton	\$ 0.621	\$ 0.601	\$ 0.581	\$ 0.561
AT		7558B	Saint John	\$ 0.619	\$ 0.599	\$ 0.579	\$ 0.559
AT	North New Brunswick	7557B	Edmundston	\$ 0.617	\$ 0.597	\$ 0.577	\$ 0.557
AT		7843B	Bathurst	\$ 0.611	\$ 0.591	\$ 0.571	\$ 0.551

In conclusion, I would like to thank you for this opportunity to quote on your propane and requirements. We hope that our operational and administrative benefits, coupled with a competitive price offering, will be consistent with your needs, and we look forward to working with you on this project.

Terms and Conditions

- This proposal is based upon the signing of a 3 year term of project Propane Fuel and Equipment Supply Agreement
- Installation and hook-up of any additional propane equipment if not covered in the current scope of this project, as described in Superior Propane's current proposal is to be charged to customer. Existing customer owned equipment assumed to be in working order and fully compliant with current codes and regulations.
- Superior Propane workmanship warranty period for the installation of propane storage equipment will be 12 months from the completion of the installation work and will cover parts and labour.
- An annual inspection, after the initial warranty period (12 months), of all propane storage equipment will be provided by Superior Propane. We reserve the right for further inspections as required by the B149 Gas Code, and/or government requirements. All repairs to customer owned equipment will be the responsibility of the customer and will be chargeable at Superior Propane's then current parts and labour rates and will cover travel time, to and from your site.
- Alcohol and drug testing if required as well as site orientation as required is a chargeable item at SP current labor rates if applicable.
- If installer/service technician is unable to perform his duties on this project due to customer and or sub-contractor delays, an extra charge for those work stoppages will be assessed at the then current SP labour rates.
- Applicable taxes extra.
- Payment terms are net 15 days.
- Force Majeure. Neither party shall be held liable for any failure or omission in the performance of the provisions of this Agreement (not including non-payment of amounts when due), if such failure is caused by, or shall arise, directly or indirectly, from acts of God, terrorism, wars, riots, strikes, shortage of labor, materials or supplies, inclement weather, including snow, ice, storms, floods or impassible conditions, equipment failure or malfunction, failure of carriers or suppliers to transport or furnish Product, or other contingencies beyond the reasonable control of the parties, which would make performance commercially impractical.
